Torquay Bowling Club Safety Procedure - TBCSP # 1 Emergency Evacuation & Assembly Area

Document Created By: Mark
Coombs

Date: 23/8/2023

Custodian: Board Secretary

Approved and accepted at Board meeting on 21/9/2023 - See minutes

During an Emergency Evacuation requirement, all persons onsite must leave the premises via the closest exit and make their way to the Emergency Assembly Area.

EAA Marshal Is either: - 1. The Manager - 2. The Chef - 3. the Bar Staff (Depending on Availability)

If Safe the EAA Marshal must move through all areas, toilets, storerooms, offices & main building to clear all personnel then go to EEA and then call emergency services on triple 000 if no one has already made the call. Direct Fire Brigade to the water tanks and creek supply.
