The following rules will be strictly applied after 1 January 2015  
After its review of the liquor licensing act [1998] and in the light of the new developments at the club the Board has decided to implement the following new rules:

- i. Each member must show their TBC membership card before ordering any drink at the bar. No exception will be made to this rule.
- ii. All properly signed in guests must show their tear off visitors slip to receive any service from the bar.
- iii. Non-members [not signed in], whilst welcome on the precinct will not be served from the bar.
- iv. Large gatherings of non-members from scheduled events such as weddings, funerals, parties and business training etc will be managed by the bar/bistro manager using the guest list.
- v. Visiting affiliated bowlers and officials are for that time honorary members and do not require 'signing – in' -- provided that a record of their competition entry is retained by the organizing subcommittee. Visiting supporters are deemed to be non-members and require signing in.
